Partner Care History

In 2010 Kelley Rice-Schild, a long term care facility owner, made the decision to start a pharmacy that caters to owners' needs.

Partner Care is a long term care pharmacy.

Our pharmacy staff understands the unique needs of assisted living facilities and their patients. Partner Care pharmacy is open seven days a week, 365 days a year. We have a proven track record in providing pharmacy services to long term care facilities and ensuring compliance with State licensure regulations.

"Working with Partner Care Pharmacy is a true partnership, they are everything we can ask for in a Pharmacy. From the direct line of communication with the decision makers, to the excellent customer service and extreme reliability. They alleviate our concerns in this incredibly complex service."

Nicholas Antonacci, N.H.A.
